What we did this week

We practiced writing big A and little a in our notebooks and practiced saying the sounds it can make. We talked about how God gives us our families and each family is different. We drew pictures of our families and counted how many people there are in each of our families.

Tuesday friends went to the library. Wednesday friends went to chapel/music and Tuesday/Thursday friends went to P.E.

Our Bible story was about God creating the whole world and everything in it! 😊

We read a lot of books and sang a lot of songs!

We played outside and enjoyed the beautiful summer weather!

Quote of the Week:

Logan: (Pointing to the basket of ocean animals) "I eat that one, I don't eat that one, I eat that one..." He loves his seafood!

Coming up NEXT WEEK

Our letter of the week will be Bb. We will learn the sound Bb makes and practice writing it. We will start learning about our five senses. We will explore with each of our five senses and talk about what each corresponding body part does. We will read books and sing songs about our five senses. Our Bible story will be about God making people. He created Adam and Eve and He created us!
