

# News from the Pews

July 2021

In early July, our nation celebrates Independence Day. And like most holidays, it is easy to lose sight of what the holiday is truly about. On national, or even religious, holidays, we have a tendency to focus in on the fact that we get extra time off of work, which gives us an opportunity to take a short vacation, or perhaps to spend some quality time with friends and family.

But Independence Day is a special day, and we should not lose sight of its meaning. On July 4, 1776, the greatest nation in the history of civilization was born. Our country was different from its beginning. The idea of a democratic republic was a new one, and the American Experiment has worked out marvelously. America had a new approach to everything; from governmental structure, to economic policy, to foreign relationship attitudes, and to the place of religion in life. For all of the problems America has, it is still the greatest nation in the world to live in, and we are blessed to have an opportunity to do so.

But something else should be said, and this is about the American idea of freedom. Freedom also is a blessing, within its proper perspective. Freedom from oppressive, tyrannical governments is truly a wonderful thing. But freedom to do anything and everything we want with absolutely no boundaries is not a

good thing at all. Allowing our sinful nature to run rampant and to govern our lives unchecked in the name of freedom will always lead to destruction. Sin by its very nature destroys. That is the end game goal of Satan – to work through your sinful nature to bring about as much pain, destruction, and death to us and our world as he possibly can. At this extreme, freedom is not good.

However, this Independence Day season, the freedom we can all truly celebrate and give thanks for is the freedom won for us on the cross. Christ. Jesus' death and resurrection set us free from the bondage of sin. He set us free from a destiny that would have been defined by death. He has given us the certain hope of salvation from sin, pain, and death. We/you have been set free from the bonds of hate and selfishness, so now you can experience love, service, and selflessness, which brings you joy, peace, and true contentment. So, as you enjoy your holiday this year, remember that true freedom is not found in the world, it is found only in Christ. Have a great July and see you in church!

In Christ,

Rev. Wagner

*Our purpose in life is to glorify God. All were created for the same purpose.*

*From the Principal's desk*

Even though school is out for summer, there are still many things going on in the school. There is summer camp going on in the preschool wing of the school.

They are learning about insects & bugs, places around the world, frogs & toads, real & pretend, and the Olympics. The teachers have prepared a wide variety of activities for all of the students to participate in during camp.

Everybody likes lightning bugs...And a lightning bug jar is a needed accessory as these Trinity Lutheran Summer Camp students know!

There is the cleaning and preparing of the classrooms for the upcoming school year. There is work going on in the office as well. The principal's office has been painted, and a new floor is going in too. There will be new floors going into the main office as well. We can't wait to welcome back students in the fall.

VBS will be available online again this summer. Look out for the details on the church website and in emails!

Do you know of anyone looking for a caring loving school? We are enrolling age 3 through 8<sup>th</sup> grade with full and half days for preschool. We also offer extended care from 7:30 a.m. to 5:30 p.m. We have room for new students.

We have small classes, experienced, accredited teachers, traditional values and a family environment. There are tuition reduction opportunities through Scrip program. A tour may be scheduled or more information requested by calling 630.627.5601. Help us share the Word and Love of Jesus with family, friends and neighbors!

## THE BLESSING OF OFFERINGS

2021-2022 Trinity envelopes. Your new envelopes are available on the table along the east wall of the Parish Hall next to the wooden Dart Ball cabinet. Fewer sets are needed this year, due primarily to the increase in

online electronic giving. Therefore, some member envelope numbers have changed and we ask that you not use any current envelopes you may have after June 30. Your number is a quick link in recording contributions into the computer system. If you cannot locate your envelopes, or if you are still not yet able to attend services at Trinity and need your envelopes delivered, you may also let us know

at 630.629.8765 or email [edgoss@comcast.net](mailto:edgoss@comcast.net) and we will help you get your envelopes.

**Mary Martha meets one evening a month, usually the first Thursday unless otherwise designated. An open invitation is extended for all women of Trinity to come and experience the joy of gathering with your sisters in spirit. There are normally no monthly meetings after the June get together until we meet again in the fall.**

**We look forward to getting together again on September 2, at 6:30 p.m. in the Parish Hall for a delicious Salad Super.**

## The LWML (Lutheran Women in Mission)

Each district of the LWML from across the United States sends two delegates from each of its zones. The Northern Illinois District LWML has 19 zones and Arlene was one of the delegates sent to vote on behalf of Zone 6, which is made up of 10 churches including Trinity.

With delegates and alternates, host committee volunteers from three districts, general Lutheran Women in Mission, presenters,

exhibitors, pastors, missionaries, spouses, children, around 3,000 Lutheran women and men convened at Lexington's Rupp Arena, for the city's first big gathering in the wake of COVID closures.

One of the exciting parts of attending the LWML national convention is the opportunity to learn about the work being done across the globe - financed by the "mites" contributed by Lutheran women. Like the widow's mite (or small coin) from the Gospel account in Mark 12 and Luke 21, God uses this money in mighty ways. The LWML has set a goal of raising \$2,150,000 over the next two years to support 28 selected missions, including three based in our Northern Illinois District.

**The grants awarded** this year that affect Illinois out of this convention were very generous and will be paid out over the next two years.

Hope for Cancer Patients - Phil's Friends	\$70,000
Redeeming Life Maternity Home, Illinois Expansion - Redeeming Life Outreach Ministries	\$100,000

\*Mercy House Belize Lutheran Campus -  
Belize Mission Campus  
\$100,000

\*The Belize mission receiving the grant has recently been adopted as the international mission of the Northern Illinois District and originated out of Immanuel Lutheran Church in Belvidere, Illinois.

Trinity's attendees, which included Arlene Solyom and Roberta Koehler and Lori Solyom, found many things at the convention to be impactful. Arlene mentioned the parade of flags, in which national flags from the hundreds of countries in which LWML has supported mission work were processed through the

arena. She also recounted the entire crowd singing happy birthday to one woman who has been participating in LWML since 1947 and celebrated her 100th birthday while at the convention. Bobbi was inspired by the insights and experiences of several missionaries and as a first time participant, Bobbi relished the time she got to spend in reunion with a dear friend and fellow LWML member from Florida. Lori spent most of her time as an exhibitor, sharing the mission of Voice of Care - which equips churches to reach and disciple people with disabilities, she really enjoyed the presentation by KFUE radio, and interacting with hosts of the Lutheran Ladies Lounge, as well as representatives of LCMS Life Ministry and Lutherans for Life.

**On the way to the convention,** a real treat was stopping at the Ark Encounter.

Seen here at the  
Ark Encounter in  
Lexington, KY.

The Ark Encounter is a life-sized recreation of Noah's Ark, that explores the Biblical history surrounding the events in Genesis telling the story of the Great Flood with world class exhibits, scientific research, and dramatic reimagining of what life must have been like for Noah, his sons, and the wives - the eight people that God preserved when the world was destroyed. In addition to the Ark itself, Trinity's travelers got to attend live action shows, film features, and virtual reality experiences.

The next LWML (Lutheran Women in Mission) National Convention will be June 22-25, 2023, in nearby Milwaukee, Wisconsin. The women

of the Northern Illinois District will be helping to host this event, so mark your calendars and plan of being part of this dynamic event! ## SEEKING SHELTER TOGETHER IN THE LORDS HOUSE

Trinity has been blessed over the many years to have a house of worship where we gather as a family to praise God, and to be encouraged to go out and serve in His name. Maintaining a church is like maintaining your own home, they both need upkeep and repair. A new roof has been put on the church so that we can continue to meet together and praise our God!

**Sherron Schiewe** said:

YAY!!! Thanks to the many members, some no longer with us, whose generosity made this possible.

*News coming from the Pews* – Recipes or suggestions from our “church family” are welcome, If you have anything you’d like to contribute, please feel free to text, or email your ideas or your requests.
