

## An Egg Tree

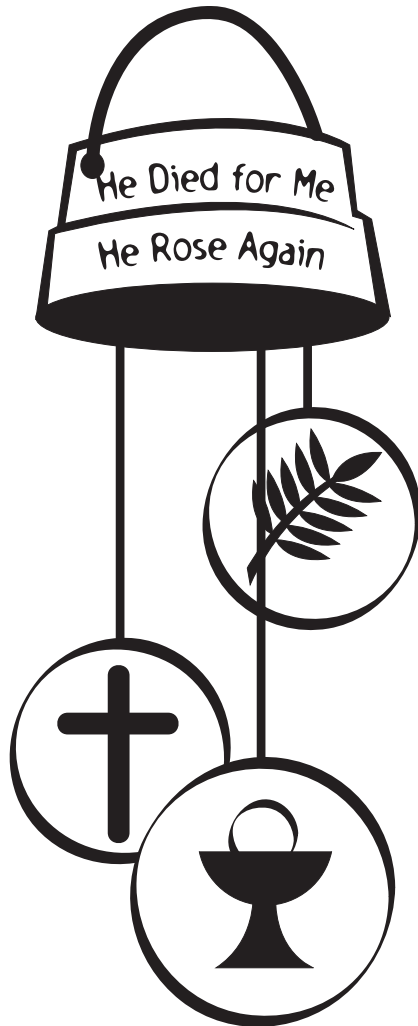

For a long time eggs have been used at Easter to help people remember the resurrection of Jesus. Use bright colors to decorate the eggs on this Easter egg tree. Think about how happy you are that Jesus is alive.

More to do: Make a photocopy of this page. Color the eggs and cut them out. Punch a hole at the top of each egg. Tie yarn through the holes and hang the eggs on a tree branch that has been set into a jar filled with rocks. Enjoy your colorful Easter egg tree.

# MOBILE

**What You Need:** Paper, plastic, or foam cup, Markers, Yarn, Scissors, Construction paper, Pencil, Tape

## What You Do

1. Draw shapes on construction paper and cut them out.
2. Cut a string for each shape and tape the string to the back of each shape. Tape the other end of the string inside the bottom of the cup.
3. Use a pencil point to poke a hole through the sides of the cup. Make a hanger for the mobile by tying a string through the holes.

## More to Do

- Cut the base out of the cup and cut down the rim.
- Decorate the cup with stickers or fabric trim.
- Trace paper circles to hang from the mobile. Tape the yarn on the inside of one circle and glue another circle on top of it. Decorate each side of the circle with stickers, Bible passages, or religious symbols.
- Cover a foam cup with construction paper.
- Use a permanent marker to write directly onto the cup.
- Use fun foam or poster board to make figures and symbols to hang.
- Make mobiles to illustrate specific lessons or seasons of the church year.

## The Lesson Connection

### Holy Week

Make a mobile to help visualize the significance of holy week. Attach holy week symbols to circles and hang them from the mobile. Review each event in Jesus' last week on earth—triumphant entry into Jerusalem, Last Supper, arrest and trial, and so on. Remind students that because of Jesus, we are forgiven of our sins and can rejoice on Easter and every day.
