

News from the Pews

May 2021

Christ is risen! He is risen indeed, Alleluia! May is always a very busy month, and this year is no exception. We have confirmands who have worked very, very hard and have legitimately earned the right to be confirmed. We have the National Day of Prayer. We have Mother's Day. We have Ascension Thursday. And towards the end of the month, we have school graduations and Memorial Day weekend, which is the unofficial start of summer.

As usual, we are really busy this month. And everything that we mentioned this month are gifts to us from God. From, Confirmation Sunday, to the National Day of Prayer, to Ascension Thursday, these church days remind us of God's love for us in Christ Jesus. School graduations are an important life milestone that student and family alike should be very proud of. And Mother's Day and the Memorial Day holiday are more gifts from God, as Proverbs 31 reminds us of the blessings of a Godly mother, and holiday weekends are always needed.

And it's quite possible that this summer will be busy too. Many people have been able to get vaccinated against the Coronavirus, so it may be possible to begin to enjoy more interaction with each other. But whatever the case, I pray that we all will not only be safe, but will remember the importance of keeping up with

God's Word. Regular church attendance is extremely important for keeping your faith in Christ alive and strong. So, if you are in town, please visit us this summer regularly on Sunday mornings or Monday evenings. And if you go out of town, be sure to catch us via live stream. Let's all stay connected to God's Word as we wind down another school year and head into summer. May God richly bless your month, and I'll see you in church!

Blessings In Christ,
Rev. Wagner

*Love never gives up, never loses faith,
is always hopeful, and endured
through every circumstance.*
1 Corinthians 13:7

Dear Lord, Your Word is so powerful and true. I won't give up because I know I am not alone. I will keep hope alive because Your Holy Spirit strengthens me to stand against the enemy in all of his forms. My faith is alive in You. Amen

Something inspiring to watch and listen to...former President Reagan, speaks about our country and faith. Copy and paste in youtube.

www.youtube.com/watch?v=OvN1jTkzXbY

Ronald Reagan's church put this together to commemorate the birthday of Ronald Reagan.

The enemy of God, desires to persuade those who are babes in their faith, or that do not yet

know God; that the government knows better how to care for them.

In March of this year (2021) a secular news article from the New York Post, printed the following about church attendance.

"American church bells aren't ringing so much as they are tolling, a new survey has found. For the first time in 80 years, Gallup has found that less than half of US adults belong to a church, synagogue or mosque. Membership numbers dropped to 50% by 2018 and slipped to 47% by 2019. The decline in membership is due to not only a decline in religious Americans belonging to a church, but also an increase in Americans who do not follow a religion at all, according to Gallup.

The trend is likely to continue, with Gallup noting that church membership is "strongly correlated with age." While 66% of Americans born before 1946 belong to a church, only 58% of baby boomers do. Meanwhile, membership for Generation X is 50%, and just 36% for millennials.

The decline rates are similar but slightly steeper in Catholics than Protestants, but proportionately smaller among conservatives, Republicans, married adults, college graduates, Southerners and non-Hispanic black adults, all of whom maintain some of the highest rates of church membership.

So, what do we as LCMS Christians do with news like that? We pray!

Lord, it is only You that can change the hearts and minds of those whom You have created. As Your children, redeemed by Jesus, we pray that You will open up the minds and hearts of those that have turned their backs on You. Open their eyes to see and ears to hear the truth. Lord, thank you for equipping our Pastor to speak Your Word and send it out on Sundays. We ask that You also equip each of us, to speak through our prayers, through our daily walk and in any manner that You put before us. We are challenged in our hearts

Lord to pray for our country, our leaders and for those who are leading people astray, that they may be convicted to repent and turn toward You.

The National Day of Prayer is a perfect opportunity to begin or continue to pray. Please join your church family on May 6 at 7 p.m., here at Trinity, to pray together.
