From LCMS.org

Lutheran Schools Week provides nearly 2,000 preschools, elementary schools and high schools with the public opportunity to proclaim and celebrate God's work among us in schools of The Lutheran Church—Missouri Synod. We thank God for the opportunity to provide excellent academic preparation for the children we serve. We are most grateful for the opportunity to share Jesus' amazing love with children and their families. Lutheran Schools Week gives us an opportunity to proclaim these great blessings within the communities we serve. Our schools are amazing incubators for faithful witness of God's love for us through Christ by teachers and students alike.

"Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you."
1 Thessalonians 5:16-18

Ash Wednesday *by Lucia Giurdanella and Maria Gronwold*

Ash Wednesday is the kickoff to Lent. The reason we call it Ash Wednesday is because the pastor puts ashes on your forehead, usually in the shape of a cross. In Genesis 3, God says, "...you return to the ground, since from it you were taken; for dust you are and to dust you will return." The Pastor says, "you are man, you are dust, and to dust you shall return," while putting the ashes on the foreheads of congregation members. The ashes are a representation of our sin and are made from a mixture of old, burnt palm branches (often from the previous year's Palm Sunday service) and oil.

The Season of Lent at Trinity *by Allison Gagliano and Jordyn Mardini*

The season of Lent begins with Ash Wednesday, falling this year on February 26. Lent is the six-week period leading up to Easter. It's one of the most important times of year for many Christians around the world, particularly for Lutherans, as well as those within the Anglican, Catholic and Orthodox traditions. Lent is held at a similar level of importance to Advent – the build up to Christmas. At Trinity, every Wednesday during Lent, students attend midweek Lenten services in the church at 1 p.m.

All are welcome to attend midweek Lenten services, devotions and soup and bread suppers:

- Wednesday, Feb. 26 – Ash Wednesday service at 1 & 7 p.m., meal at noon & 6 p.m.
- Wednesday, March 4 – church service at 1 & 7 p.m., meal at noon & 6 p.m.
- Wednesday, March 11, 18 & 25 – church service at 1 p.m., devotions at 6:30 p.m., meal at noon & 6 p.m.
- Wednesday, April 1 – church service at 1 & 7 p.m., meal at noon & 6 p.m.
- Maundy Thursday, April 9 – Divine service at 1 & 7 p.m.
- Good Friday, April 10 – church service at 1 & 7 p.m.
- Easter Sunday, April 12 – Divine service at 7 a.m., Easter breakfast at 8:30 a.m. in the gym, Easter service at 10 a.m.

Meet the Hard-Working Mrs. Messina *by Julia Lesch and Penny Loera*

Mrs. Messina is a hard-working person. She not only teaches Trinity's 7th and 8th grade class, and 5th grade Science but she also is the Trinity's Principal. When needed, she even pitches in as Secretary and Janitor. Mrs. Messina teaches because she enjoys working with children, helping give them the tools they need for a successful future. She loves to read, play volleyball and softball, but since becoming Trinity's Principal she does not have a lot of time for hobbies. In her first year of she worked with preschool, but the rest of the teaching career has been with 5th through 8th graders. Mrs. Messina taught for a dozen years at Immanuel Lutheran in Hillside, then spent a year service a Catholic school before coming to Trinity. This is Mrs. Messina's first post as Principal which she has found both fun and interesting.

Bzzzz...It's Spelling Bee Season *by Julia Lesch and Penny Loera*

Trinity is hosting a Spelling Bee on Saturday, March 14, from 7:30 a.m. to noon. Students in grades 1 through 8 from Trinity and other Lutheran schools in the area will be competing. There will be awards for individuals and an overall school prize. If you are competing, you can practice by studying the words at www.spellingbee.com. Eight schools are expected for the event. Each of the grades will have two winning spellers and two runners up. The winners will be posted at the end of the Spelling Bee.

About Valentine's Day *by Jordyn Mardini and Giovanna Ramirez*

Every year Valentine's day is on February 14. The holiday has origins in the Roman festival of Lupercalia, held in mid-February. The festival, which celebrated the coming of spring, included fertility rites and the pairing off of women with men by lottery. At the end of the 5th century, Pope Gelasius I replaced Lupercalia with St. Valentine's Day. Valentine was a 3rd-century Roman Christian who secretly married soldiers before they went off to war, in defiance of the Emperor's decree making marriage illegal for the military. Today our Valentine celebration pays homage to this man of God. Now on Valentine's Day we buy chocolates, flowers, teddy bears, and more for our loved ones.

Trinity Teachers Share their Favorite Valentine Gifts *by Giovanna Ramirez*

A favorite gift on Valentine's Day...

Mrs. Messina: Five years ago, she married her husband

Mrs. Perez: A box of chocolates (it is a documented fact that Mrs. Perez REALLY likes chocolate!)

Miss Rachel: All the little treats that preschool gave her

Mrs. Moy: It's not about what gift she received, but the focus is on who gave her the gift - like her daughters and husband, whom she loves with her whole heart

Mrs. L. Solyom: It is her father's birthday, so she gives thanks for him and all the special people in her life (better than anything received)

Miss Kraegel: Dark chocolate covered caramel

Recognizing President's Day *by Carli Highberger*

In February there is a holiday called Presidents Day. This is a day that students like because it includes a day off of school. But have you ever wondered why it's such an important day?

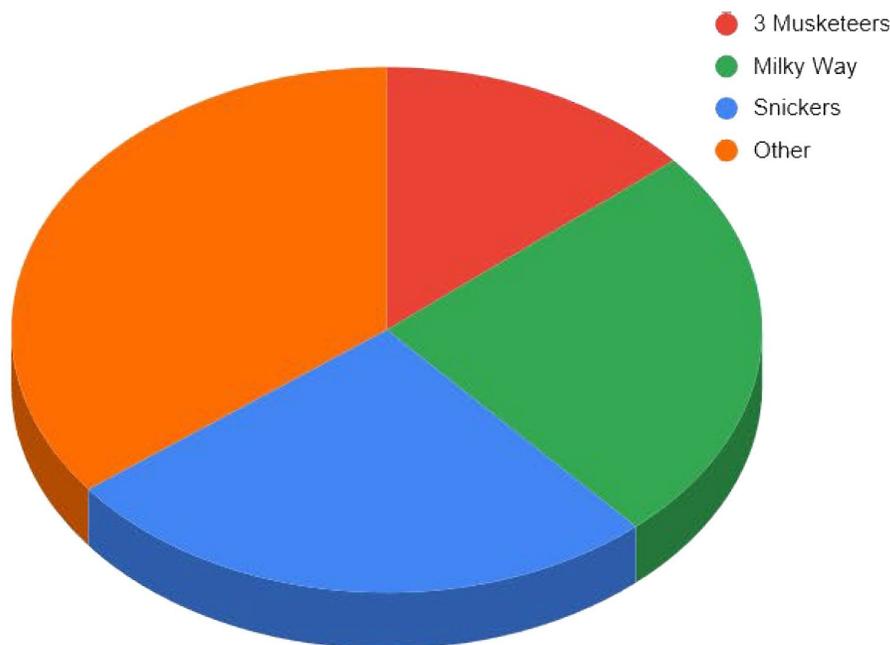

Presidents Day is an important day because it recognizes the birthdays of two great leaders of our nation, George Washington and Abraham Lincoln. George Washington should be remembered because he was chosen in front of three other potential men to be our new country's first President. Washington stood for the cause of liberty during the American Revolution and went on to lead America through its first years of independence. Abraham Lincoln is considered one of our greatest Presidents. He believed in freedom and liberty. He carried the nation through the awful days of Civil War, which resulted in the abolition of slavery – freeing many.

Presidents Day is an important national holiday – much more than just a day off of school!
