GARDEN CLUB PERMISSION SLIP/CONTRACT

My child _____ has permission to participate in Garden Club. I recognize that as my child participates in this program there are certain risks of physical injury (including death) and I agree to assume these risks. Students will use hand tools (pruners, rakes, shovels, and the like) and work with plants, compost and dirt indoors and outdoors, weather permitting. Students may also do food preparation and cooking using standard kitchen utensils. We realize that academics must come first and that actions and attitudes must fit that of acceptable Christian behavior.
