### What we did this week

We practiced writing big X and little x in our notebooks and practiced saying the sound it can make. We continued our shape theme with triangles. We made triangle collages, sorted shapes, and turned triangles into creative pictures in our notebooks.

Wednesday friends went to chapel/music.  
Tuesday/Thursday friends went to P.E.

Our Bible story was about Jesus appearing to His friends and disciples after Easter. He is risen!

We read a lot of books and sang a lot of songs!

We played outside!

### Quote of the Week:

Mrs. Solyom: "Hi, Dolly!"  
Anylah: "I'm not Dolly – I'm Anylah!"

### Coming up NEXT WEEK

Our letter of the week will be Yy. We will learn the sound Yy makes and practice writing it. We will continue our shape theme with squares! We will talk about its characteristics - 4 equal sides and 4 corners and compare them to other 4-sided shapes like rectangles and diamonds. We will build squares and other shapes with q-tips, measure square tiles with rulers, and creatively turn squares into pictures in our notebooks. We will read books and sing songs about squares. Our Bible story will be about Jesus' ascension into Heaven.
