

# News from the Pews

March 2020

This month is the beginning of Lent. The theme for Lent, as stated in the book of Joel, could be summed up as "Return to the Lord." The point is that we need to return to the Lord, because sin has separated us from Him. And, that is not a good thing.

Lent is not a pleasant time in the church calendar, but is a very important time, nevertheless. We've gone through Advent, which was a time of anticipation of the coming of Jesus. After that ... Christmas, when Jesus actually came. That was followed by Epiphany, which revealed to us that Jesus, who came at Christmas, was in fact God in flesh.

So now that we know who Jesus is, Lent shows us our need of Him. Being separated from God by sin had devastating consequences. God is the only source of life, of love, and of joy. So, sin left us by nature, oriented towards death, hate, and pain. Lent calls us to realize the reality of our sinfulness, and its horrific implications, and thus we see our need to return to the Lord. But the million dollar question you ask is: "How can I return to the Lord?" This is the problem, because on your own, not only can you not, return to the Lord ... you won't want to do so. This shows us the importance of Christ the Savior. You return to the Lord by God's power, on the basis of Christ's death and resurrection. Your sin is a major problem, but Jesus is the answer. After spending 40 days in Lent, being reminded of your sinfulness and its seriousness, you are

told on Holy Week of your salvation – Jesus dying and rising for you.

So, this Lent, pray for the Holy Spirit to lead you into meaningful self-reflection. Pray for the power to see your sin, repent, and believe in the promise of God to save you. Lent is about reality – the reality of your sinfulness, and the reality of God's love for you in Christ Jesus! Have a blessed March. And see you in church!

In Christ,

Rev. Wagner

## Principal's Message

We are looking forward to celebrating Lutheran Schools Week, March 2-8. An exciting start to the week will be a *whole school field trip to the Shedd Aquarium*. We will be wearing our Trinity t-shirts on the field trip. For Tuesday, the classes get to choose what color they wear to school that day. Wednesday is 'special dress-up' day, and we'll be attending the afternoon church service together. Just for fun, Thursday is crazy sock day. Third through eighth grades will be packing meals at Feed My Starving Children. Then on Thursday evening, Chris Fascione, a great storyteller, will come to entertain everyone. Friday is the students favorite day of all. It's Pajama Day! And ... breakfast will be served by the teachers. There will be a variety of activities that the students are able to participate in throughout the week in their classrooms as well. Finally, the week's

festivities will wrap up with the students singing in church on Sunday, March 8.

It is open enrollment for, believe it or not, the 2020-2021 school year! We're looking forward to having new and returning students sign-up for next year. If you know of anyone that is looking for a loving school, with a strong education, please refer them to us. Sosana is always ready to give tours to new families.

Summer Camp enrollment is currently going on as well. Summer camp is for students in preschool through fourth grade. The camp is headed up by Miss Rachel and Ms. Kraegel. They always have a wide variety of activities planned for the students. If there are any questions, please contact Sosana in the office.

Blessings,

## *Spoon us. Ladle Thinking*

We use spoons for feeding ourselves, but a ladle is utilized to fill bowls for others. During a time of year in which Trinity offers soup 'n' bread suppers prior to Lenten services and devotion, it seems appropriate to illustrate our service to the Lord using these utensils that accompany hot soup.

In today's world, our self-centered culture consistently drives us toward "spoon thinking." That is a way of looking at everything through the lens of oneself. We ask, "How does this affect me?," "Am I getting anything out of this?," or, "Is this really my *thing*?"

Christ encourages a different perspective, something we can view as "ladle thinking." When we pick up a ladle, we are ready to serve others – and we are ready to put their needs ahead of ours.

Choosing to examine things from the viewpoint of a "ladle" rather than that of a "spoon" means adopting a mindset that is counter cultural. When we give up our spoon and pick

up a ladle, we are following the example of Christ by choosing to serve others and place their needs ahead of our own. This kind of generosity doesn't come easily and always moves us beyond our comfort zone.

For some, "ladle thinking" can mean writing a check; for others, it involves inviting someone into their life or taking the time to serve another person. "Ladle -focused" thinking requires faith. It commands us to rely on God and trust in His care. For Christians, the "ladle" can manifest itself in different ways, but it always involves the setting aside of 'self' centered desires to depend on Jesus.

This Wednesday, while you enjoy soup at Trinity, think about how the Lord is leading you to pick up a ladle and follow Him.

## Trinity's Capital Campaign:

### Bringing Light to Our Community

Trinity is entering an exciting phase with a new capital campaign focusing on *Bringing Light to Our Community*. Having been blessed with a generous member loan, a wonderful matching gift opportunity, and potential grant funding, Trinity is pulling out all the stops in order to bring the Gospel light of Christ to Lombard and the surrounding area. Matthew 5:16 tells us to “let your light shine before others” that they may “give glory to your Father who is in heaven.”

Trinity has been around for 160 years. Much has changed since the original handful of German farm families planted the first cross on this corner. Trinity can easily see that the community has been through many changes. The message of Christ has never changed, but we find that we need to be more intentional in sharing it.

Our campaign focuses on three key goals:

1. **Trinity Lutheran School expansion and promotion.** As our largest evangelism opportunity, we recognize the value of increased focus on our Lutheran school. We have already prepared the school to grow, adding an additional preschool room and updating technology – including the use of smart boards, Chromebooks, and Google classroom. Intentional recruiting events are being presented. We seek to raise \$15,000 to increase social media, targeted print, direct mail, and other marketing

opportunities, plus develop and stock a STEAM (science-technology-engineering-arts-math) lab to integrate into Trinity’s educational curriculum.

2. **Accessible bathrooms in church and school.** Trinity desires to be accessible to people of all abilities, for worship, fellowship, and education. Currently, the main bathrooms in both the church and school buildings are not ADA compliant and present a hardship for people with physical disabilities and mobility issues. In an effort to be more welcoming, and aware of people’s needs, we seek to match a \$30,000 bequest to Trinity that is earmarked as a matching gift for bathroom remodeling or updates and improvements.

3. **A new, modern LED sign at the intersection of Roosevelt and Meyers Rd.** Trinity sits at a very busy intersection, passed by over 100 thousand vehicles daily. Those who don’t turn north onto Westmore-Meyers Road will not be aware that Trinity operates a school for children 3-years-old through 8<sup>th</sup> grade. For well over a century and a half, Trinity has impacted this corner. Neighborhood streets bear names of Trinity’s founders. Stoplights were installed in the 1960s when Trinity mothers stroller-blockaded the intersection following a student’s traffic death. We seek to raise \$20,000 to build and install a bright LED church monument sign at this high-volume intersection to promote the ministry of Trinity Lutheran Church and School and continue proclaiming Christ to the community.

Additionally, we want YOUR ideas for how we can be *Bringing Light to Our Community*. You will find a suggestion box in the parish hall near the coffee service. You will eventually see our campaign progress chart next to it. You may also email your recommendations and thoughts to [BringingLight@TrinityLombard.org](mailto:BringingLight@TrinityLombard.org).

A capital campaign to raise \$65,000 may sound overwhelming. Let's break it down. If every Sunday we have 75 giving units, either families or individuals, and they each increase their weekly offering according to their ability, it might look like this:

- \* 5 givers increase their giving by \$40 each week = \$200 total increase
  - \* 10 givers increase their giving by \$20 each week = \$200 total increase
  - \* 15 givers increase their giving by \$10 each week = \$150 total increase
  - \* 20 givers increase their giving by \$7.50 each week = \$150 total increase
  - \* 25 givers increase their giving by \$5 each week = \$125 total increase
- Total weekly increase = \$825 x 52 weeks = \$42,900 – by March 2021  
Total weekly increase = \$825 x 26 weeks = \$21,450 – by September 2021

***That's \$64,350 raised in eighteen months!***

Maybe you might only realistically be able to give \$3 extra each week – or maybe the Lord has blessed you in such a way that you might be able to up your weekly gift by \$100 weekly, or even make a one-time gift of \$5,000. The Lord provides us with His blessings, and we respond to His love as He enables us to do so.

We prayerfully request that you take this opportunity to heart, consider it before the Lord and with the others in your household and act as the Holy Spirit directs.

We will soon be providing specially designated envelopes for your convenience and there will be ways for online givers to dedicate new gifts to this initiative. Over the next few weeks, we will be letting you know more about the various ways you can give to this special purpose. The Board of Stewardship and our congregational leaders are willing to discuss your ideas and address your concerns throughout this process.

## March 22: Make Your Commitment

Trinity's Commitment Sunday is on March 22. This is the day that we make our annual giving commitments before the Lord to support the work of His church on earth. We give thanks for God's great blessings and ask you to prayerfully consider your financial commitment to Trinity Lutheran Church as we go about our Savior's will. Your pledges will help plan financing for Trinity's ministry in the year that runs from July 1, 2020, through June 31, 2021. Envelopes containing information and pledge cards have been placed in your member mailbox. There are extras at the back of the sanctuary.

As we recognize that, "Every good gift and every perfect gift is from above..." (from James 1:17) we will examine the relationship between God's love and our response to His love. Member offering envelopes for the 2020 – 2021 fiscal year Memorial Day and will be for use beginning in July.

Trinity is YOUR church and relies on your prayers and financial support to do the work that God has planned for us to do.

## Spring Break Ideas for Families

Trinity Lutheran School is on Spring Break from March 28 through April 5. This is a great time for families to do things together, and it doesn't mean you have to travel or spend a lot of money.

Here are a few ideas suggested by Focus On The Family ([focusonthefamily.com](http://focusonthefamily.com)) and K-LOVE Fan Awards ([klovefanawards.com](http://klovefanawards.com))

### THE ULTIMATE STAYCATION

Who says you have to go to the beach during Spring Break? You can have an amazing time exploring your hometown - look into free or discounted museums, put together a local scavenger hunt, or just get lunch at that neighborhood place you've been wanting to try. The point of a staycation is to treat your usual surroundings as if they were an exotic or otherwise foreign destination. No time off work? Build pillow forts or cook ethnic meals each evening. There's no wrong way to go on a staycation.

### VOLUNTEER

Home based activities could include making cards for the homebound, people in nursing homes or troops serving overseas.

### FAMILY GAME TOURNAMENT

Plan a game competition for adults and children – anything from board games like Boggle, video participation such as Wii Just Dance, active team games i.e. basketball, or even card games such as Show Me or Go Fish. Hold a different championship each day and the have winners select and prepare dinner.

### DESIGNATE SPECIAL DAYS

Select themes for several days and build the day's activities around the special focus.

Try... something productive as well as fun!

- OTHERS DAY: On this day, find ways to help each other, then as a family do something together for others - bake cookies for a friend, do yardwork for a neighbor, or write letters to Grandma.

- CLEANING DAY: Pick one day to work together on large cleaning tasks. Assign age appropriate tasks and total points as rewards. Redeem those points together at an ice cream parlor, bookstore, movie theatre or other "rewarding" destination.

- OUTDOORS DAY: Each family selects a different outdoor activity to participate in together – Maybe you like bicycle riding, nature walk, picnic lunch, or football in the park.

- CHARACTER DAY: Each family member secretly picks a fictional or historical character. For several designated hours, they must dress, speak, and act as that character. At the end of the set time, others must try to guess each family member's chosen character.
